

Time	Topic*	Speakers	Company
09.00 - 09.15	Keynote Presentation <i>AAM Integration at Munich Airport</i>	Olaf Bünck & Oliver Schultes Munich Airport	
09.15 - 09.45	Fireside Chat <i>Powering Safe Flight: Building Trust in eVTOL Control Systems</i>	Connell Williams Head of Controls, Evolito	
09.45 - 10.00	Keynote Presentation <i>Benefits of SAF hybrid for VTOLs - range, speed and emissions.</i>	Michal Illich CEO, ZURI	
10.00 - 10.30	Panel Discussion <i>Who's the Customer? Defining Real-World Use Cases for eVTOL Deployment</i>	Tomislav Lang Founder and CEO, flyvbird Thibault Baldivia Chief Commercial Officer, Ascendence Freshta Farzam, CEO and Founder, LYTE Aviation Martin Miehling Principal Account Manager, AAM, Honeywell	   
MORNING BREAK			
11.00 - 11.30	Fireside Chat <i>Engineering the Next Horizon: Leonardo's Vision for Advanced Air Mobility</i>	Alexandru Dinu Research & Innovation Specialist Leonardo Helicopters	
11.30 - 11.45	Keynote Presentation <i>Flight Control Systems for eVTOL: Performance, Safety and Certification Challenges</i>	Angel Monllor Business Development, Embention	
11.45 - 12.15	Panel Discussion <i>Cargo, Commuters, or Critical Care? Prioritising Use Cases and Urgencies</i>	Michael Mesaric Manta Aircraft Jakob Saalfrank Founder and CEO, Grasshopper Air Mobility Christoph Selig CEO, Unisphere	  
12.15 - 12.30	Keynote Presentation <i>Launching the World's First Commercial eVTOL Operation - Challenges and Opportunities</i>	Lukas Preis Business Intelligence Associate Skyports Infrastructure	
LUNCH			

13.30 - 13.45	Keynote Presentation <i>Beyond the Horizon: Accelerating eVTOL and AAM Commercialization</i>	Ted Angel Executive Director, National Advanced Air Mobility Center of Excellence (NAAMCE)	
13.45 - 14.15	Fireside Chat <i>Pathway to Market: Volocopter's Roadmap to Certification</i>	David Bausek, CTO, Volocopter	
14.15 - 14.30	Keynote Presentation <i>Unmanned Aircraft Systems from a Testing Perspective</i>	Yvonne Minnich Campaign and Project Management DLR (German Aerospace Centre)	 National Experimental Test Center for Unmanned Aircraft Systems
14.30 - 15.00	Panel Discussion <i>Digital Tools & Data for Advanced Air Mobility Deployment</i>	Jose Rodriguez CEO, Bluenest by Globalvia Rasha Alshami CEO and Founder, LYNEports Darrell Swanson Director, EAMaven	  
AFTERNOON BREAK			
15.30 - 16.00	Fireside Chat <i>Unlocking the Skies: ERC System's Role in the Next Aviation Era</i>	Dr. Christopher Schropp Chief Technology Officer, ERC System	
16.00 - 16.15	Keynote Presentation <i>Unlocking New AAM Capabilities with CycloRotor Propulsion Technology</i>	Dr. Marcus Bauer CEO, CycloTech GmbH	
16.15 - 16.30	Keynote Presentation <i>Flight Paths to the Future: BETA's European and Nordic Demonstrations</i>	Patrick Buckles Head of Sales, BETA Technologies	
16.30 - 16.45	Keynote Presentation <i>Autonomy Simulation</i>	Shilpa Jha Autonomy Simulation Manager, Wisk	
EVENT FINISH NETWORKING DRINKS 5PM - 6.30PM
